

NOAA NESDIS/STAR Restricted FTP Access Agreement and Account Activation/De-Activation Request

I, (printed name) _____, request a restricted FTP account on the NOAA NESDIS Center for Satellite Applications and Research (STAR) ftp2.star.nesdis.noaa.gov FTP server, currently located in the NOAA Center for Weather and Climate Prediction (NCWCP), 5830 University Research Ct, College Park, MD, 20740.

I understand that this access requires of me consent to monitoring, and adherence to the Department of Commerce Password Management Policy, and NOAA IT System Rules of Behavior.

I understand that I must successfully complete the online NOAA IT Security Awareness course at <http://noaa.learnsecuritywith.us> within three days of account activation, and that I must then successfully complete the course annually. (Since this is a requirement for all NOAA personnel and contractors, they meet this condition.)

I will inform STAR, via a new instance of this form, when I no longer require this access and account.
